RE: Braemar Hills Street Improvement Project

Dear Resident:

The City of Edina has initiated the process of roadway and utility improvements for the summer of 2010 for your neighborhood. As part of the public involvement process the City held an open house on September 14, 2009, to discuss a typical roadway reconstruction project. The next step is to hold an informational meeting to discuss the improvements more specific to your neighborhood.

We are hosting a neighborhood informational meeting for the **Braemar Hills Street Improvement Project** on November 23, 2009, from 7:00 p.m. to 9:00 p.m., at Arneson Acres Park located at 4709 70th Street West.

The meeting will consist of a 20 minute presentation starting shortly after 7:00 pm that will cover such items as work to be done, preliminary project costs, proposed assessment, etc. followed by a short question and answer session.

Please see the map on the back side of this letter for the preliminary project area.

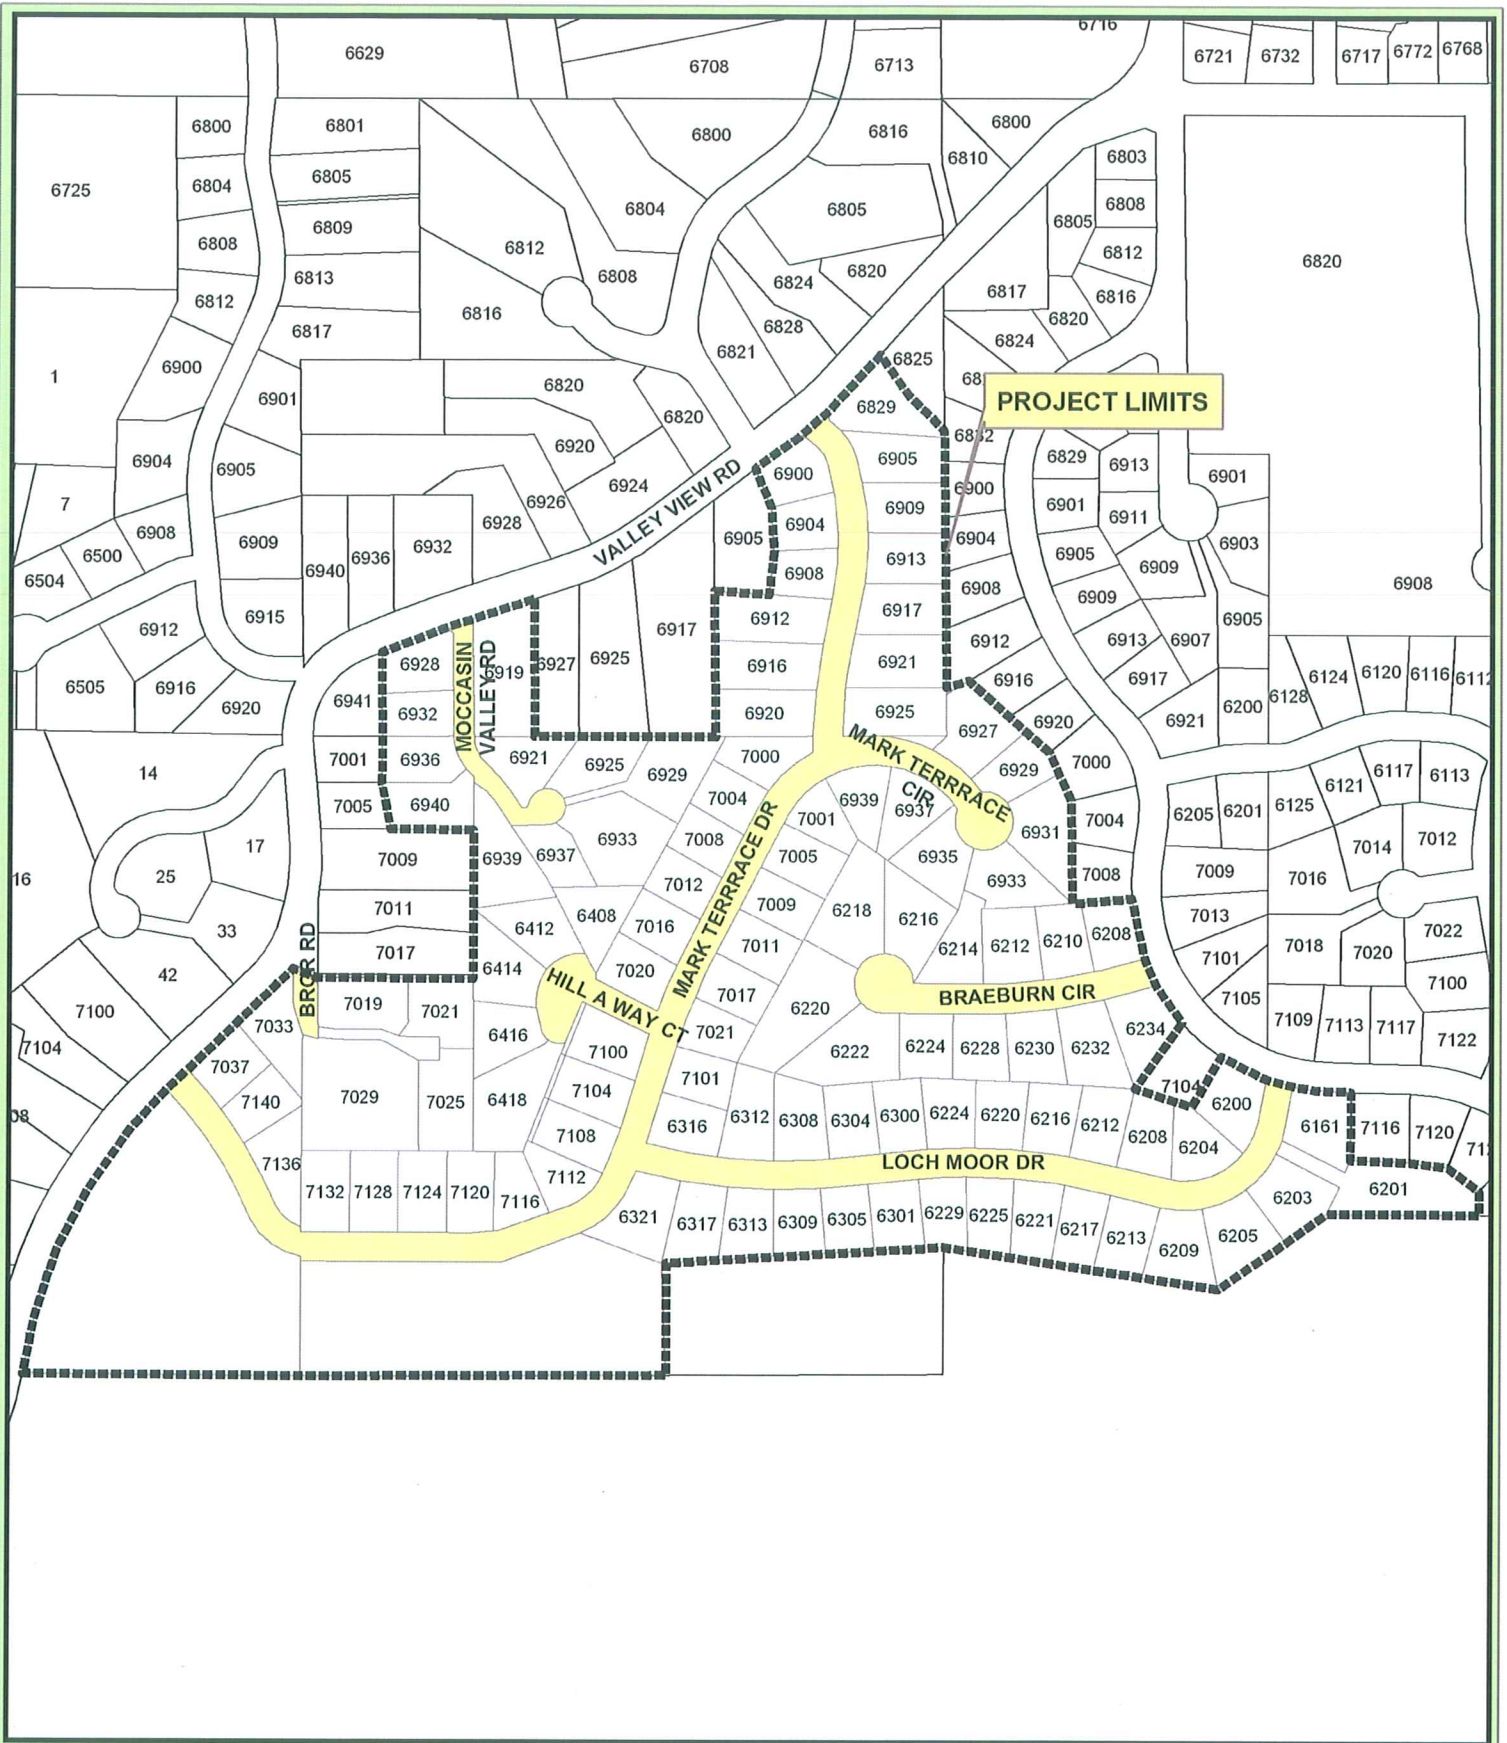

If you cannot attend the informational meeting the presentation can be made available to you after the meeting. Please contact the Engineering Department at 952-826-0371.

Sincerely,
