RE: 2009 and 2010 Street Reconstruction Projects

Dear Resident:

The City of Edina has initiated the process of roadway and utility improvements for the summer of 2009 or 2010 for your neighborhood. The first step is to have an open house for residents to become familiar with the city process. Please see the attached "A Guide to Edina's Street Reconstruction Process" for further explanation of what a project may consist of.

We are hosting an informational meeting for the roadway and utility improvement on October 9, 2008 from 7:00 p.m. to 9:00 p.m., in the Edina City Council Chambers located at 4801 W. 50<sup>th</sup> Street.

The meeting will consist of a 20 minute presentation on the half-hour and an open house format throughout the evening. Staff will share approximate special assessment amounts; the exact special assessment amounts will not be ready for this meeting.

If you are unable to attend the meeting please contact me at 952-826-0445 to obtain additional information.

Sincerely,

Jack D. Sullivan  
Assistant City Engineer
