

Construction Update No. 1
West Frontage Road Area Sidewalk Phase II
City of Edina Contract No. ENG 09-2

May 28, 2009

West Frontage Road Area Sidewalk Phase II Residents
Edina, MN

The Edina City Council awarded the sidewalk project in your neighborhood to DMJ Corporation. DMJ completed Phase 1 from Eden Avenue to Normandale Court in 2008. Phase 2 will be to complete the walk from Normandale Court to Eastview Drive. This work will start around the middle of June.

To better communicate the overall happenings of the project, the City has introduced a City Extra e-mail notification service. This service is free and allows individuals to sign up to receive e-mail messages from the City on a variety of topics. To sign up for the service go to the City Extra website at <http://cityextra.cityofedina.com> and place a check mark in the box next to this project's name (West Frontage Road Sidewalk – Benton Avenue to Eden Avenue). Please contact the City at 952-927-8861 if you are having trouble signing up for City Extra.

Staff will update the City Extra e-mail notification system on a weekly basis. These updates will be brief but will cover the weekly sidewalk construction highlights. All residents, including those signed up for the e-mail notification system, will continue to receive paper copies of the construction update letters by US-mail informing you of the project's progress on a monthly basis.

Please contact me if you have questions or comments regarding this project.

- Jeff Frahm at 952-826-0448 or jfracm@ci.edina.mn.us

Please be aware that all potential schedules are subject to change due to varying factors, including other utility work, subcontractor's schedules, and most importantly, weather. The City of Edina and DMJ Corporation thank you for your patience throughout this project.

Thank you,

Jeff Frahm
Project Manager
